INNOVATIVE PERFORMANCES

The Shows of the Rippel Brothers represent outstanding values, since they present the variegation of the art through a spectacular and breathtaking journey in which we can experience the classical theatre, the shows of the Casinos of Las Vegas, the atmosphere of the Circus and the magic of today Sci-Fi movies.

The dramaturgy of the performances are simple so everybody can easily take in but these are still amazing. During the show there are combined the world of the circus, the music and the dance. Moreover the whole performance is embedded into the future. Because of its complexity, the performance is able to address a wide stratum of the audience.
